 ab Takt 5  
 mit [...]

*Refrain*

( - )                      G                      C                      G                      E7                      [d - f# - g - g#]                      Am7                      D

O hap-py day,                      o hap-py day                      When Je-sus washed,  
 O hap-py day,                      o hap-py day,                      when Je-sus wa

Am7                      D                      Am7                      D                      G                      C                      ( - ) [h - c - c# - d]

when Jesus washed,                      o when he washed,                      he washed my sins away.  
 shed,                      when Jesus washed,                      when Jesus washed,                      o happy day,                      o happy day!

*Strophe*

D                      G                      C                      G                      C/G D

1. He taught me how, ...  
 2. And live ...

1. He taught me how                      ...                      Fight and pray.  
 2. And live                      ...                      Ev-ry day!

⊕ *Schluß:*

G                      G7                      C                      G                      C                      G                      C                      (G)

o hap-py day,                      o hap-py day,                      o hap-py day - - - - !  
 o hap-py day,                      o hap-py day,                      o hap-py day,                      o hap-py day - !
